Lee:

To answer your questions:

1. Timing is ideal a day, or a very few days, following any indictments.

2. This is the way to get a Court to act with urgency we desire: the key is the affidavits on the expenditure of funds and the transfer of ~~Missouri~~ funds to OSL, or the complaint really make clear re the transfer of funds and the illegal expenditure of funds for to the PI's and lawyer — all the crap they're involved in.

(2)

eg. "An affidavit from John Nelson re the Kirkpatrick deal. That would do it."
(I'll try to arrange — maybe Legal can).

re Actual crime needed:

"Not so much crimes —
"I tried to convey the viewpoint that of "illegal expenditure", or use of the money of a supposedly charitable organization. They thought they were going for purposes of destruction and harassment."

Ans: "That's it."

~~Ch. Issue~~

ANS " Let me make one thing very clear. You don't have need to prove that. That's what gives the Court urgency to move immediately. Across the country there are hundreds of cases, the issue in which has solely been a fight for control of the money. Even where one party is not doing anything wrong with it. They simply disagree over who should have control. "

ANS " The Church should not be being run by A.S.I. A.S.I. should not be controlling

Church funds, he could
for anything going bck
done wrong with expenditures.
that is the critical
consideration."

FNS: "But if they can come
up with expenditures for
the OI's for harassment
. . . . and that type of
thing; that's what gives
the urgency to the Court
to do something immediately."

"How much before the
Court would act?"

FNS: . . . . . "well if you got
enough meat in there, such
as the Krentzman thing. If
an officiant was procured
from John Nolan & you could

probably convince a Court to act that day to freeze the assets. If you could come up with evidence of that type. Get John Nelson to cooperate. He gave a digest to the Federal Govt. They just used it in proceeding to have Hubbard declared the moragey. I don't think Kreyman they come up."

"They say they have two Bod members or How does that change things?"

"It's even better"

"If they've signed undated letter of resignation?"
